

Table 1: Summary of Data

| Year | Q1 | Q2 | Q3 | Q4 |
|------|-----|-----|-----|-----|
| 2018 | 100 | 120 | 150 | 180 |
| 2019 | 110 | 130 | 160 | 190 |
| 2020 | 120 | 140 | 170 | 200 |
| 2021 | 130 | 150 | 180 | 210 |
| 2022 | 140 | 160 | 190 | 220 |

Table 1 shows the quarterly data for the years 2018 to 2022. The values generally increase over time, with a slight dip in 2020.

The following table provides a detailed breakdown of the data for each year and quarter.

Table 2: Detailed Data for 2020

| Quarter | Value |
|---------|-------|
| Q1 | 120 |
| Q2 | 140 |
| Q3 | 170 |
| Q4 | 200 |

The data shows a consistent upward trend in the values over the five-year period. The quarterly growth rate is approximately 10% per year.

Table 3: Summary of Trends

The data indicates a strong positive correlation between time and the measured values. The growth is steady and predictable.

Table 4: Comparison of 2020 and 2021

| Quarter | 2020 Value | 2021 Value |
|---------|------------|------------|
| Q1 | 120 | 130 |
| Q2 | 140 | 150 |
| Q3 | 170 | 180 |
| Q4 | 200 | 210 |

Table 4 shows that the values in 2021 are consistently higher than in 2020, maintaining the same growth pattern.

Table 2: Detailed Data for 2020

| Quarter | Value |
|---------|-------|
| Q1 | 120 |
| Q2 | 140 |
| Q3 | 170 |
| Q4 | 200 |

Table 2 provides a detailed view of the 2020 data, showing a clear upward trend.

Table 3: Summary of Trends

| Year | Q1 | Q2 | Q3 | Q4 |
|------|-----|-----|-----|-----|
| 2018 | 100 | 120 | 150 | 180 |
| 2019 | 110 | 130 | 160 | 190 |
| 2020 | 120 | 140 | 170 | 200 |
| 2021 | 130 | 150 | 180 | 210 |
| 2022 | 140 | 160 | 190 | 220 |

Table 3 summarizes the trends across all years and quarters, showing a consistent growth rate of approximately 10% per year.
